# 13th International Symposium SAGT 2024: Advancing the Frontiers of Geoinformatics

Embark on an Intellectual Journey: Join the 13th International Symposium SAGT 2024

Prepare to be captivated as the 13th International Symposium on Geoinformatics (SAGT 2024) unfolds in the vibrant city of Augsburg, Germany, from September 16th to 18th, 2024. This prestigious event brings together a global network of researchers, practitioners, and industry leaders from the realm of geoinformatics to exchange groundbreaking ideas, showcase cutting-edge advancements, and foster interdisciplinary collaborations.

Navigating the Crossroads of Innovation and Sustainability

SAGT 2024 serves as a platform to delve into the dynamic interplay between geoinformatics and sustainable development. With the world facing unprecedented environmental challenges, the symposium will highlight the transformative role of geospatial technologies in addressing these pressing issues. Participants will engage in thought-provoking discussions, explore innovative solutions, and chart a course for a more sustainable and resilient future.
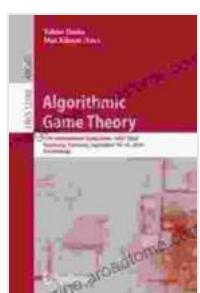

Algorithmic Game Theory: 13th International Symposium, SAGT 2024, Augsburg, Germany, September 16–18, 2024, Proceedings (Lecture Notes in Computer Science Book 12283) by Nick de Voil

Unveiling the Power of Geospatial Intelligence

At the heart of SAGT 2024 lies an exploration of the latest advancements in geoinformatics. Experts in Geographic Information Systems (GIS),geospatial analysis, and remote sensing will unveil their groundbreaking work, showcasing the transformative potential of geospatial data and technologies. From AI-driven image processing to collaborative spatial modeling, attendees will gain invaluable insights into the state-of-the-art in geoinformatics.

A Global Stage for Knowledge Exchange

SAGT 2024 provides an exceptional opportunity for researchers and practitioners to share their research findings, exchange ideas, and forge new connections. The symposium features a robust program of keynote speeches, oral presentations, poster sessions, and interactive workshops, ensuring a diverse and engaging experience for all participants.

Call for Papers: Showcase Your Cutting-Edge Research

Researchers are invited to submit their innovative research for consideration as oral or poster presentations. Abstracts should adhere to the symposium's theme and focus on original and unpublished work. Submissions will be rigorously reviewed by a panel of experts, and accepted papers will be published in the conference proceedings.

## Augsburg: A City Steeped in History and Innovation

The charming city of Augsburg, nestled in the heart of Bavaria, provides an inspiring backdrop for SAGT 2024. Attendees can immerse themselves in the city's rich history, explore its architectural wonders, and experience its vibrant cultural scene. Augsburg is also a hub of innovation and technology, with a thriving academic and research community.

Important Dates to Note

* Abstract Submission Deadline: April 30th, 2024 * Notification of Acceptance: June 15th, 2024 * Full Paper Submission Deadline: July 31st, 2024 * Early Bird Registration Deadline: August 15th, 2024 * Symposium Dates: September 16th - 18th, 2024

Join the Geoinformatics Community

Don't miss this exceptional opportunity to engage with the global geoinformatics community, advance your knowledge, and contribute to the development of innovative geospatial solutions. Register for the 13th International Symposium on Geoinformatics (SAGT 2024) today and be part of a transformative experience.
