The 16th International Conference On Semantic Systems (Semantics 2024) will be held in Amsterdam, Netherlands, from June 17-20, 2024. The conference will bring together researchers and practitioners from around the world to discuss the latest advances in semantic technologies and their applications.

Semantics is the study of meaning. Semantic technologies are used to represent and reason about meaning in data. This enables computers to understand the meaning of data and to make inferences based on that meaning. Semantic technologies are used in a wide range of applications, including:

- Natural language processing
- Machine learning
- Big data
- Data science
- Artificial intelligence

Semantics 2024 will feature a variety of keynote speakers, paper presentations, workshops, and tutorials. The conference will also provide opportunities for networking and collaboration.

If you are interested in learning more about semantic technologies and their applications, then Semantics 2024 is the perfect event for you. Register today to secure your spot.

Important dates

- Paper submission deadline: March 1, 2024
- Notification of acceptance: April 15, 2024
- Camera-ready deadline: May 15, 2024
- Conference dates: June 17-20, 2024

Venue

The conference will be held at the RAI Amsterdam Convention Centre. The RAI is located in the heart of Amsterdam, just a short walk from the city centre. The RAI is easily accessible by public transportation and by car.

Accommodation

A block of rooms has been reserved at the following hotels:

- NH Collection Amsterdam Grand Hotel Krasnapolsky
- Hilton Amsterdam
- Crowne Plaza Amsterdam - South

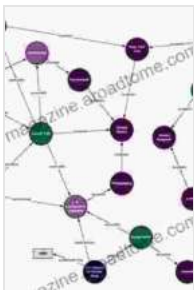

To book a room at one of these hotels, please visit the conference website.

Registration

Registration for Semantics 2024 is now open. To register for the conference, please visit the conference website.

Contact

For more information about Semantics 2024, please contact the conference organizers at semantics2024@semantic-web.org.
