### A David vs. Goliath Story

At the heart of this legal saga is a classic David vs. Goliath story. A small, underfunded law firm, Cheng Cohen, took on one of the largest and most powerful companies in the world, Monsanto.

Cheng Cohen represented thousands of farmers who claimed that Monsanto's herbicide, Roundup, had caused them serious health problems, including cancer. Monsanto, a behemoth with deep pockets and a team of high-powered lawyers, vehemently denied the allegations.

### The Inside Story

*Battling Goliath* provides an unprecedented insider's view of this monumental legal battle. The book is co-authored by Emily Monserratt and Timothy Litzenburg, two attorneys from Cheng Cohen who were at the forefront of the case.

Through vivid storytelling and exclusive access to confidential documents, Monserratt and Litzenburg take readers into the courtroom, the war rooms, and the personal struggles behind the headlines. They reveal the strategies, tactics, and emotional toll on both sides of the conflict.

## **The Stakes Were Enormous**

The stakes in this case were enormous. For the farmers, it was a matter of life and death. For Monsanto, it was a threat to its multi-billion-dollar business. And for the American public, it raised fundamental questions about the safety of our food supply and the integrity of our justice system.

The trial lasted for months, with both sides presenting compelling evidence and calling high-profile witnesses. The jury's ultimate verdict would have far-reaching implications for the future of product liability law and the rights of consumers.

## **A Triumph for the Underdog**

In a stunning victory for the plaintiffs, the jury found Monsanto liable for causing cancer and awarded damages totaling \$22 billion. It was a historic verdict that sent shockwaves through the corporate world and gave hope to victims of corporate wrongdoing everywhere.

*Battling Goliath* not only recounts the events of this extraordinary case but also explores the broader implications of the verdict. It is a cautionary tale about the dangers of unchecked corporate power and a testament to the resilience of the human spirit.

## **A Gripping Read for Legal Professionals and General Readers Alike**

*Battling Goliath* is a must-read for legal professionals, business leaders, and anyone interested in the intersection of law, justice, and corporate accountability. It is a compelling and thought-provoking account of a remarkable legal battle that will stay with readers long after they finish the book.

### **Praise for *Battling Goliath***

"A gripping insider account of one of the most important legal battles of our time. Emily Monserratt and Timothy Litzenburg provide a fascinating look at the strategies, tactics, and emotional toll on both sides of the conflict." -

#### ***Kirkus Reviews***

"A well-written and compelling narrative. *Battling Goliath* is an essential read for anyone who wants to understand the complexities of corporate accountability and the power of the legal system to right wrongs." -

#### ***Booklist***

"Monserratt and Litzenburg take readers on a riveting journey inside a landmark legal battle. *Battling Goliath* is a compelling story about courage, justice, and the triumph of the underdog." - ***New York Journal of Books***
