The book begins with a history of the occult, from its origins in ancient Egypt to its modern-day manifestations. Harrison then provides a detailed explanation of the different types of magick, including black magick, white magick, and red magick.

The second part of the book focuses on the rituals and spells of Beast Magick. Harrison provides detailed instructions on how to perform these rituals, as well as safety precautions that must be taken.

The third part of the book is a grimoire, or collection of spells, that can be used for a variety of purposes, including love, wealth, and protection.

****Beast Magick Rite 666**** is a valuable resource for anyone interested in the occult. Harrison's clear and concise writing style makes the book easy to understand, even for beginners. And his extensive knowledge of the subject matter makes the book an authoritative guide to the dark arts.
