

Dora the Explorer: A Chilly Day Adventure

It's a chilly day in the rainforest, and Dora and her friends are getting ready for a winter adventure. They're going to build a snowman, have a snowball fight, and go sledding down the mountain. But first, they have to find their winter gear.

Dora and Boots put on their warmest clothes and head outside. They look for a good spot to build their snowman, and they find the perfect place in a clearing in the forest. They start rolling a big ball of snow for the body, and then they add a smaller ball for the head. They put on a carrot for the nose, and they use sticks for the arms and legs. Their snowman is starting to look amazing!

Next, Dora and Boots make some snowballs for a snowball fight. They throw the snowballs at each other, and they laugh and have a lot of fun. After the snowball fight, Dora and Boots go sledding down the mountain. They have a blast sledding down the slopes, and they can't wait to do it again.
