A sweeping historical narrative that traces the intertwined stories of the Crusades and the European conquest of the Americas

From the Crusades to the New World: A Journey of Conquest, Faith, and Empire is a sweeping historical narrative that traces the intertwined stories of the Crusades and the European conquest of the Americas. Drawing on a wealth of primary sources, the book offers a fresh and nuanced account of these pivotal events, exploring their deep and lasting impact on the world we live in today.

The Crusades, a series of religious wars fought between Christians and Muslims from the 11th to the 13th centuries, had a profound impact on the development of Europe. The Crusades helped to define the boundaries of

Christendom, and they also led to the rise of new political and economic powers in Europe.

The European conquest of the Americas, which began in the 15th century, was another transformative event in world history. The conquest led to the deaths of millions of indigenous people, and it also had a devastating impact on the environment. However, the conquest also led to the spread of European culture and technology to the Americas, and it ultimately helped to shape the world we live in today.

From the Crusades to the New World: A Journey of Conquest, Faith, and Empire is a magisterial work of scholarship that offers a fresh and nuanced account of two of the most important events in world history. The book is essential reading for anyone who wants to understand the roots of the modern world.

Praise for *From the Crusades to the New World: A Journey of Conquest, Faith, and Empire*

"A sweeping, ambitious, and ultimately brilliant work of history. *From the Crusades to the New World* is a must-read for anyone who wants to understand the roots of the modern world." - Niall Ferguson, author of *The Ascent of Money*

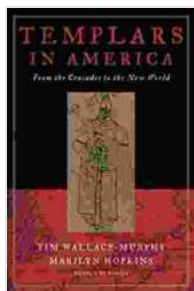

"A magisterial work of scholarship that offers a fresh and nuanced account of two of the most important events in world history. *From the Crusades to the New World* is essential reading for anyone who wants to understand the roots of the modern world." - David Cannadine, author of *The Decline and Fall of the British Empire*
