

Glossary of Social Economy Prassi Cooperative: A Comprehensive Guide to the Field

The Glossary of Social Economy Prassi Cooperative presents a comprehensive overview of the field of social economy, providing clear and concise definitions of key terms and concepts. Compiled by a team of experts in the field, this glossary is an indispensable resource for students, researchers, practitioners, and anyone else interested in learning more about this important topic.

What is Social Economy?

Social economy refers to a range of economic activities that are driven by social and environmental goals, rather than solely by profit maximization. Social economy organizations include cooperatives, mutuals, non-profit organizations, and other entities that use their resources to create social value and promote economic inclusion.
