By Jackson Galaxy

Cats are often misunderstood and maligned creatures. They are often seen as aloof and independent, but in reality, they are highly social animals who crave attention and affection. If you want to have a happy and healthy relationship with your cat, it is important to understand their needs and wants.

In his book, *How to Be Owned by a Cat*, Jackson Galaxy reveals the secrets to understanding and living in harmony with your feline companion. This funny and informative book is packed with tips and advice on everything from choosing the right cat to dealing with common cat behavior problems.

Galaxy believes that cats are not simply pets, but members of our family. They deserve to be treated with respect and love. By following the advice in this book, you can learn how to communicate with your cat, understand their body language, and create a home environment that they will love.

In this book, you will learn:

- How to choose the right cat for your lifestyle
- How to understand your cat's body language
- How to communicate with your cat
- How to create a home environment that your cat will love

- How to deal with common cat behavior problems
