A powerful and moving novel about women who have been hurt, humbled, and humiliated by men, and their journey to find strength and empowerment.

In the wake of the #MeToo movement, women are finally speaking out about the ways they have been mistreated and abused by men. But what happens when the men who have hurt us are our fathers, our brothers, our husbands, or our sons?

In *Hurt, Humbled, and Humiliated*, three women embark on a journey to heal from the trauma they have experienced. They must confront their own pain and shame, and learn to forgive themselves and the men who have wronged them.

Along the way, they will find strength and support from other women who have also been hurt. They will learn to trust themselves again, and they will find the courage to stand up for themselves and others.

Hurt, Humbled, and Humiliated is a powerful and inspiring story of survival and empowerment. It is a must-read for anyone who has ever been hurt by a man.
