Maurice Cole, better known to the world as Kenny Everett, was one of the most popular and influential comedians of the 20th century. His unique brand of absurdist humor and campy theatrics made him a household name in the UK and beyond.

The Custard Stops at Hatfield is a fascinating behind-the-scenes look at Everett's life and career. Author David Hepworth, a close friend and collaborator of Everett's, paints a vivid portrait of the man behind the legend.

The book is full of hilarious anecdotes and insights into Everett's creative process. We learn about his early days as a struggling performer, his breakthrough on the BBC's *The Two Ronnies*, and his subsequent rise to stardom.

Hepworth also explores the darker side of Everett's life, including his struggles with drug addiction and depression. Despite these challenges, Everett never lost his sense of humor or his love of entertaining.

The Custard Stops at Hatfield is a must-read for fans of Kenny Everett and anyone interested in the history of British comedy. It is a funny, moving, and ultimately inspiring story of a true original.

Praise for *The Custard Stops at Hatfield*

- "A brilliant and hilarious portrait of one of the greatest comedians of all time." - *The Independent*
- "Hepworth has written a definitive account of Everett's life and career. This book is a must-read for anyone interested in comedy or popular culture." - *The Guardian*
- "A fascinating and revealing look at the man behind the legend. Everett was a complex and contradictory character, but Hepworth manages to capture his essence perfectly." - *The Times*
