THE JOURNEY

This autobiography takes you on a journey through the author's life growing up with the ability to see into the supernatural realm. This God-given ability was always down with him and has taken many decades to understand and appreciate. Whether you want to believe it or not, this parallel universe exists and for those who have the same gifting, it can have devastating consequences on daily life.

Let this book take you into the reality of what so many of us will never experience and try to understand that, "For we are not fighting against flesh-and-blood enemies, but against evil rulers and authorities of the unseen world, against mighty powers in this dark world, and against evil spirits in the heavenly places." (Ephesians 6:12, NLT)

KELLY J. CASELMAN

Kelly is an ordained minister, small business owner, and United States military veteran. His desire is for people to understand the gifts of the spirit and how they apply to everyday life. Seeing into the supernatural is a much misunderstood gift and for those that have it can be both scary and isolating. He wants people to know that they are not alone and ultimately learn their authority in Christ. Kelly makes his home in the high desert of western New Mexico with his wife, three grown children and grandchildren.
