

Religious Liberty in Crisis: Defending the First Amendment in the 21st Century

Religious liberty is one of the most fundamental principles of American society. It is enshrined in the First Amendment of the Constitution, which guarantees the free exercise of religion and prohibits the government from establishing a religion.

Religious Liberty in Crisis: Exercising Your Faith in an Age of Uncertainty by Kenneth Starr

However, religious liberty is under attack today from a variety of sources. Some government officials are seeking to restrict the free exercise of religion, while others are trying to promote a secular agenda that is hostile to religion.

In his new book, *Religious Liberty in Crisis*, Dr. Robert P. George offers a comprehensive overview of the threats to religious liberty today. He provides a detailed analysis of the legal and political challenges facing

religious believers, and he offers practical advice on how to defend this fundamental right.

George begins by discussing the importance of religious liberty. He argues that religious liberty is essential for human flourishing and that it is a necessary condition for the flourishing of a free and democratic society.

George then examines the threats to religious liberty today. He discusses the rise of secularism, the growing hostility toward religion in the media and academia, and the increasing number of government regulations that restrict the free exercise of religion.

George concludes by offering practical advice on how to defend religious liberty. He argues that the best way to defend religious liberty is to educate the public about the importance of this fundamental right and to mobilize people of faith to stand up for their rights.

Religious Liberty in Crisis is a must-read for anyone concerned about the future of religious freedom in America. This book offers a comprehensive overview of the threats to religious liberty today, and provides practical advice on how to defend this fundamental right.

Praise for Religious Liberty in Crisis

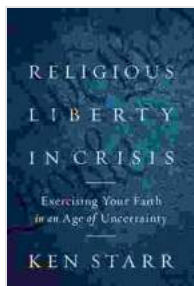

"Religious Liberty in Crisis is a timely and important book. Dr. George provides a clear and concise overview of the threats to religious liberty today, and he offers practical advice on how to defend this fundamental right." — **Edwin Meese III, former U.S. Attorney General**
