The book is divided into five chapters, each focusing on a different era of fashion history. The first chapter, "The Pioneers," introduces the women who paved the way for Black models in the 1950s and 1960s. These women, including Donyale Luna, Pat Cleveland, and Beverly Johnson, faced racism and discrimination at every turn, but they never gave up on their dreams. They paved the way for the next generation of Black models, who would go on to achieve even greater success.

## Chapter 2: The Supermodels

The 1980s and 1990s saw the rise of the supermodels, and Black women were at the forefront of this movement. Naomi Campbell, Iman, and Tyra Banks became household names, and their faces were plastered on magazine covers and billboards around the world. These women were not just models; they were also businesswomen, activists, and role models. They used their platforms to speak out against racism and sexism, and they inspired young people around the world to dream big.

### **Chapter 3: The New Guard**

In recent years, a new generation of Black models has emerged, and they are continuing to break down barriers and make their mark on the fashion industry. These women, including Jourdan Dunn, Adwoa Aboah, and Winnie Harlow, are using their voices to speak out on important issues, and they are challenging the industry's narrow beauty standards. They are the future of fashion, and they are sure to continue to inspire generations to come.

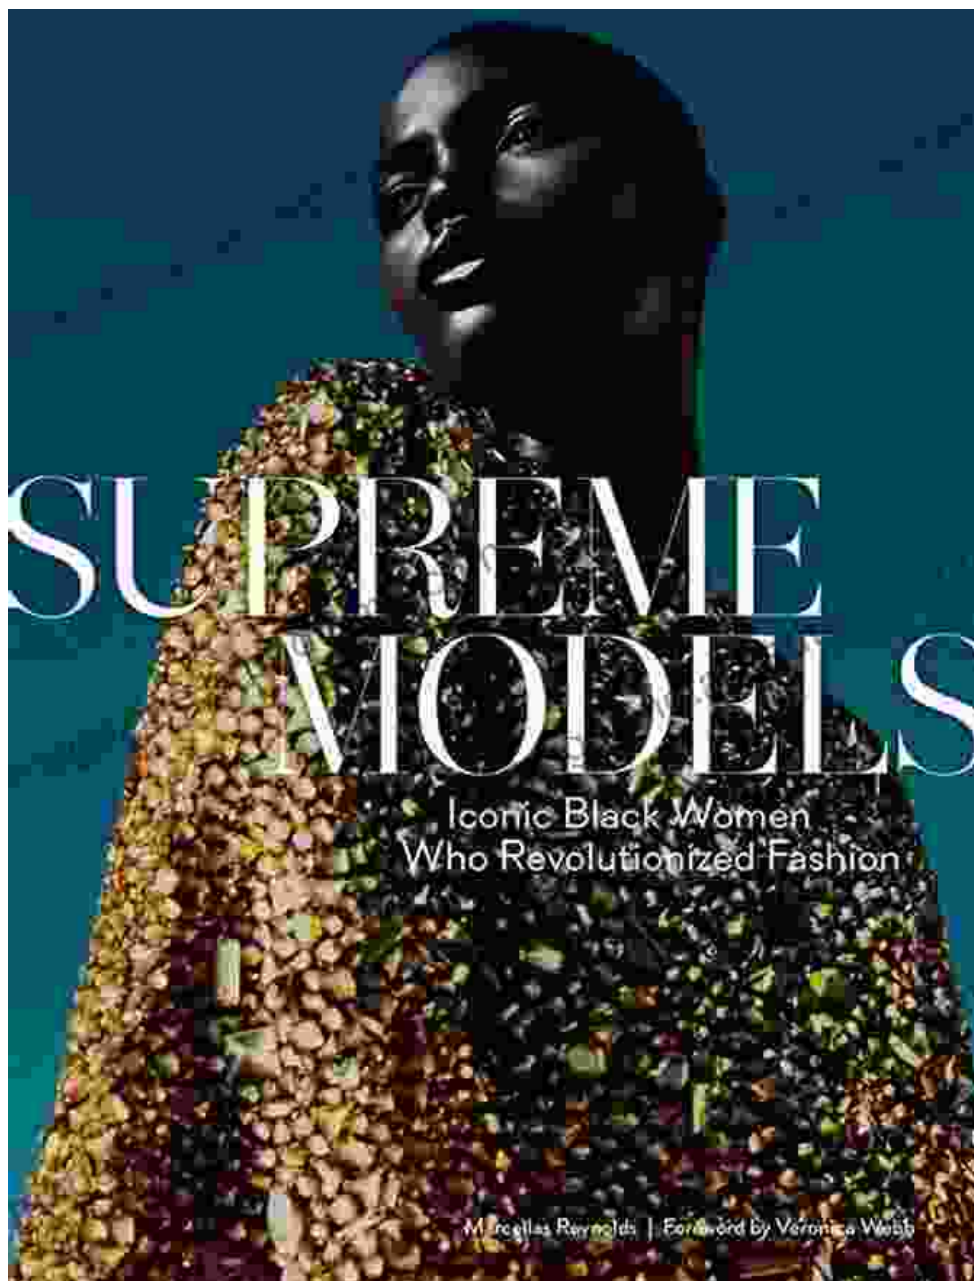

### **Chapter 4: The Impact of Black Models on Fashion**

Black models have had a profound impact on the fashion industry. They have changed the way that the world views beauty, and they have helped to create a more inclusive and diverse industry. They have also inspired countless designers and photographers, and they have helped to shape the way that we think about fashion today.

Supreme Models is a beautiful and inspiring book that celebrates the lives and careers of 50 iconic Black women who have revolutionized the fashion industry. This book is a must-have for anyone who loves fashion or who is interested in the history of African American women.
