Reviews

"Weather Affects Me: Weather Watchers is a great book for kids who are interested in learning about the weather. The book is well-written and easy to understand, and it includes lots of interesting facts and information. My kids loved learning about the different types of clouds and how they form. They also enjoyed learning about the different types of storms and how to stay safe during severe weather. I highly recommend this book to any parent who has a child who is interested in the weather."
