Winesense is the ultimate guide to understanding wine. Written by renowned wine expert Kevin Zraly, this book will teach you everything you need to know about wine, from the basics of grape growing and winemaking to the art of wine tasting.

Zraly has been teaching wine courses for over 40 years, and he has a gift for making complex topics easy to understand. In Winesense, he breaks down the world of wine into three simple keys:

1. **The Grape:** Zraly explains how different grape varieties produce different wines. He also discusses the role of climate, soil, and winemaking techniques in shaping the flavor of wine.
2. **The Glass:** Zraly teaches you how to choose the right glass for different types of wine. He also explains how the shape of the glass affects the way wine tastes.
3. **The Occasion:** Zraly helps you to understand how to pair wine with food. He also offers advice on how to serve wine and how to store wine.

With Winesense, you'll learn everything you need to know to enjoy wine to the fullest. You'll be able to choose the right wine for any occasion, and you'll be able to appreciate the subtle nuances of each sip.

If you're serious about learning about wine, then Winesense is the book for you. It's the most comprehensive and authoritative guide to wine available, and it's written in a clear and engaging style that makes it easy to understand.
